- **Public transport access:**

The public transport system operating in Port Pirie passes the school and a number of students travel to and from Port Pirie West Primary School using this bus service.

- **Special site arrangements:**

The R-7 school is part of the Port Pirie West Education Campus which also encompasses Port Pirie West Children's Centre, Port Pirie Child Care Centre (for children Birth to 8 years of age and their families) and Dental Clinic.

2. Students (and their welfare)

- **General characteristics:**

Port Pirie West is a Category 2 on the Index of Educational Disadvantage. The school population reflects the cultural and social diversity at the school. A significant number of students require support in Literacy, Numeracy and Social Skills. 16% of the student population are identified as Students with Disabilities and Negotiated Education Plans are in place for these students. 40% of the student population have speech/language or communication difficulties and are receiving additional support funded with the Better Schools funding. 16% of students are supported through the Resource Entitlement Source (RES) and are receiving additional support through the school's literacy support and or social skills programs. 74% of the total student population is eligible for school card support.

Port Pirie West has a strong moral purpose: Focus on Learning, together with the vision, "A quality learning environment where everyone belongs" and the four school qualities, Respect, Responsibility, Confidence, and Persistence underpin all site processes and procedures.

- **Student wellbeing programs:**

Play is the Way has been implemented across the school. Weekly assemblies are held.

- **Student support offered:**

Continuous improvement is supported by members of the Leadership Team through whole school agreements and data analysis.

- The effectiveness of processes and school systems are undertaken by the self review processes using multiple measures of data. The Site Learning/Improvement Plan continually reflects the recommendations, targeted areas for improvement and future directions. The Site Improvement Plan is continually updated.
- Student programs have been established for all "Students at Risk" in English, Mathematics and social skills.
- SSOs are assigned to each Learning Team to support student learning. Special programs are in place to provide intensive support for students in the areas of English, Mathematics and social skills.
- Negotiated Education Plans for identified students are reviewed regularly.

- The Aboriginal Community Education Officer (ACEO) and Aboriginal Education Teacher (AET) work collaboratively to support Aboriginal students, parents and families. Programs focussing on English, Mathematics, attendance and participation are part of the work. IEPs are reviewed.
- More specialised support is available from the Pirie Partnership through a referral process.
- **Student management:**
 - Student Wellbeing, positive staff/student relationships and increasing the levels of student engagement for learning is a school wide focus. Emphasis is on a positive and supportive learning environment. Records of all Behaviour incidents are kept to provide details about behavioural patterns and in order to fully inform parents and care providers. Updated information is shared with Governing Council each term.
 - The School's Behaviour Guidelines and Complaint Resolution Process are reviewed annually. The Anti-Bullying Policy (Well Being Procedures) has been implemented as part of the Safe Schools Framework. At the beginning of each year all classes review the school's qualities and vision statement.
- **Student government**
 - Student leaders are selected through a staff nomination process - 2 Aboriginal leaders are part of this group. The Year 6 and 7 students express interest to become sports leaders and this is decided by the PE specialist.
 - 2 representative student leaders work together with leadership to promote the school priorities and are invited to attend all Governing Council meetings.
 - The student leaders report fortnightly to the school community through the school's newsletter.
 - School assemblies are held weekly.
 - Year 2-7 SRC meetings are held twice per term and facilitated by leadership. Student voice is a valued component of the consultation process.
 - Other forms of student leadership include monitors in the Canteen, Breakfast Club, lunchtime activities and Library.
- **Special programmes:**
 - Using funding allocated in this year's Resource Entitlement the following student support programs have been put in place.
 - Additional classroom support for students with disabilities and learning difference
 - Rainbow Reading
 - Intensive Phonological Awareness support for identified students in Rec-Year 2.
 - A Reading Fluency program has recently been implemented to improve Reading R-7

3. Key School Policies

- The school has a focused emphasis on developing a Purposeful Learning Community with emphasis on learning for all and improving student engagement in learning.
- Whole staff professional development has resulted in agreed common whole school approaches with effective pedagogies across the school. The 2019 focus is numeracy and reading.
- There is a bias to the collection, analysis and action of data to inform continuous improvement.
- **Site Improvement Plan:**
 - A copy of the Site Improvement Plan is available on the school's website
 - ❖ **Priority 1 – Increase numeracy achievement**
 - Use Big Ideas in Number for planning and implementation
 - Develop Sprint Goals for targeted students
 - Use PATM resources for planning
 - Develop a Numeracy Action Plan
 - Use Back to Front resources and personal development to support teachers pedagogy for intervention of misconceptions

❖ **Priority 2 – Increase reading achievement**

- Implement and review goal setting strategies
- Staff to use Learning Intentions and Success Criteria in English
- Daily Oral Reading
- Commitment to Visible Learning Action Plan

An Aboriginal Education and Visible Learning Plan connects with the Site Improvement Plan, Partnership Plan and DECD strategic directions.

● **Recent key outcomes:**

NAPLAN data has generally fluctuated over time in all year levels - nevertheless there are sustained improvement trends in Year 3 achieved data. The Parent Opinion Survey was very positive and supportive of the work that staff do. Areas of strength included how teachers cater for needs of individuals and how teachers communicate with parents.

4. Curriculum

● **Subject offerings:**

Teaching staff are implementing the Australian Curriculum in the learning areas. Specialist teaching is provided in the areas of HASS, Arts and Physical Education (R-7). The school has excellent resources to support curriculum learning.

● **Open Access/Distance Education provision:**

The school has a Chinese LOTE program in two classes, Year 4/5. This program is delivered by teachers in Beijing using interactive technology.

● **Special curriculum features:**

Currently we have 44 Aboriginal students and 2 Aboriginal Leaders. The AET and the ACEO work collaboratively to ensure the academic and social needs of students are being met. Participation in cultural events, Reconciliation, NAIDOC is supported by the school. The ACEO works 18 hrs per week supporting and engaging with our Aboriginal students and families. An "AFL" (Aboriginal Fun-time Lunchtime) activity based program is available to all Aboriginal students (and their friends) once per week.

● **Teaching methodology:**

Newly appointed DP has a core role of pedagogical leadership. A Coordinator has been appointed to support effective pedagogies with a numeracy focus. A commitment by staff to the support of whole school approaches is supporting the school's vision and moral purpose, "Focus on Learning."

● **Student assessment procedures and reporting:**

- Parent/Teacher Interviews occur in the last few weeks of Term 1.
- A comprehensive report goes home at the end of Term 2 and Term 4. Informal parent/teacher interviews are held as the need arises.

5. Sporting Activities

SAPSASA representation and involvement is strong. The District SAPSASA Convenor is based at the school and the SAPSASA Finances are managed by the school's administration. Local sporting bodies provide a good range of clinics for students during the year. Netball, Soccer, Football, Basketball, Cricket, Softball, Tennis and Hockey are club based within the Port Pirie area.

6. Other Co-Curricular Activities

- Years 5, 6 and 7 students are selected to participate in the Northern Schools Choir and the School's Dance Troupe. Instrumental Music lessons are available in Woodwind and Brass They are provided by Department for Education music teachers onsite
- The school has its annual Sports Day in Term 3. The End of Year Celebration is a well attended and a popular school function
- Years 6 & 7 students assist in the preparation and distribution of food to students participating in the once a week, before school "Breakfast in a Bag" Program
- Bookweek themes have been successful. In 2018 the school participated in its first Port Pirie Christmas Pageant, using the Bookweek theme
- Year 6/7 students also volunteer in the canteen.

7. Staff (and their welfare)

• Staff profile:

Since 2009, there has been a significantly higher number of teaching staff in permanent positions at the school. However due to the number of younger staff there has also seen an increase in the percentage of positions needing to be backfilled due to staff taking Maternity Leave. This has resulted in an increased number of contract teachers since 2013.

Leadership structure:

The Leadership Team consists of the Principal, Deputy and two Co-ordinators.

• Staff support systems:

Teaching staff participate in professional development and operational matters in year level based teams.

• Performance Management:

Teaching is overseen by Leadership. Staff performance plans are based on the School's Improvement Priorities and Partnership Improvement Plan. Professional learning opportunities are focused on the School's Improvement Priorities as well as areas for development that have been identified by individual staff.

• Staff utilisation policies:

Classroom based SSO staff have a commitment to one or two classes and work as a team with teachers to provide support for individual students, groups of students and programs such as Reading Fluency.

• Access to special staff:

Child Wellbeing practitioner is located on site.
