

# Port Pirie West Primary School 2018/19 Site Improvement Plan

VISION: *A quality learning environment  
where everyone belongs*

## Priority One

### Achievement in Mathematics

#### Why this priority...

- The data demonstrates that numeracy scores are below DECD Standard of Educational Achievement (SEA).
- The External Site Review (ESR) highlighted a need for a school wide approach that supports effective teaching and learning in Numeracy.

#### What success looks like...

- Increased % of students achieving SEA across R-7
- Increased number of students in the top two band levels in Numeracy (NAPLAN)

#### Key actions...

1. Use Big Ideas in Number (BiIN) and Back to Front Maths for the focus of staff PD, planning and implementation
2. Develop Sprint Goals for all targeted students
3. Staff to use PAT-Maths data and resources
4. Numeracy committee to implement Numeracy Action Plan
5. SSO support in every class

## Priority Two

### Promote a Culture of Continuous Improvement

#### Why this priority...

- The ESR highlighted the need to develop a common understanding, language and consistent practice for involving students in setting SMART goals.
- The Attendance Data indicates that PPWPS is consistently below the DECD standard.

#### What success looks like...

- The gap between PPWPS attendance rate and the DECD standard decreases
- A common language for learning
- Students demonstrate resilience and take ownership of their learning
- Students know “where” they are on their learning journey and how to improve

#### Key actions...

1. Create a Growth Mindset Culture which includes Productive Struggle & Intellectual Stretch using common language across the school
2. Develop and implement strategies for goal setting with students and staff (Learning Passports)
3. Staff to use Learning Intentions and Success Criteria in Maths and English
4. Learning Team Targets to be displayed in each area
5. Continue Whole Site Approaches to Literacy
6. SSO support in every class
7. Daily Oral Reading R-7
8. Commitment to Visible Learning Action Plan
9. Early Years Reading Intervention Program
